

TOWN OF MOUNT PLEASANT

MINUTES OF THE REGULAR MEETING OF THE TOWN BOARD TOWN OF MOUNT PLEASANT WESTCHESTER COUNTY, N.Y. HELD NOVEMBER 25, 2025

PRESENT	SUPERVISOR	- CARL FULGENZI
	COUNCILPERSONS	- LAURIE SMALLEY - THOMAS SIALIANO - DANIELLE ZAINO - MARK SARACINO
	TOWN CLERK	- EMILY COSTANZA
	TOWN ATTORNEY	- DARIUS CHAFIZADEH

The Town Comptroller, Noreen McGinty, and all other department heads were also present.

The Supervisor opened the meeting at 7:00 PM with a Salute to the Flag.

I. Public Hearings

Public Hearing on the Preliminary 2026 Town Budget RESOLUTION 432-25

Supervisor Fulgenzi read a written statement aloud. The Town Clerk read the public notice aloud. The Town Comptroller made a presentation about the budget.

Speakers:

- Joe Soricelli of Valhalla complimented the board for listening to his concerns from the 2025 budget hearings, which included the Town Board stipend, which was removed from the 2026 budget. Is still concerned about the management part of police overtime and healthcare costs.
 - Domenick Vita of Hawthorne suggested getting the budget information out to the public earlier and having a public information session. He said going over budget into reserves raises questions about financial management. It's fair for the public to ask why it's necessary to go over the cap and an explanation would help. Asked what is the 3-5 year capital plan, how much it'll cost, and what the town is doing to avoid going over budget.
 - Jonathan Goldszmidt of Hawthorne asked if the board believes the current budget is accurate given the proposed \$6M revenue projection. Said it's a trend that the town doesn't meet its forecasted revenue.
 - Nick Wargo of Hawthorne said he moved to Mt. Pleasant for a place with an easy commute to the city, good schools, low crime, and affordability. Chose to stay in Mt. Pleasant again when he bought a new home. He
-

complimented Mr. Goldszmidt's analysis of the budget posted to Facebook but noted that projections, especially regarding inflation, are often wrong. Mr. Wargo said that you don't need to be an elected official to help, and that some of the many smart people in town should participate.

- Mr. Goldszmidt returned and asked if the board knows what the deficit for 2025 is projected to be, and said he feels that the 2025 is going to be another deficit budget. He said if the trend continues, the town is going to have a financial problem.
- Yael Goldszmidt of Hawthorne asked whether there are regulations about whether elected officials can respond to things from their personal Facebook accounts with political opinions and said the town should regulate it.
- Mr. Vita returned and said the best way to combat misinformation is to provide transparency and more information. If there is information "out there" that the board doesn't like, providing correct information is the best way to combat it. Putting information out earlier, making sure people understand taxes are going up. Said we all have to balance our budgets, everything is going up, and the public needs to understand how affordable is it going to be here and how in control of that are our elected officials.
- Mr. Goldszmidt returned to ask additional questions about the 2025 budget projections.
- Marilyn Miller of Thornwood said last year, she asked for different scenarios of cuts that might have to be made to keep the budget under the cap. She asked if that can be done for this year.
- Jean Halbauer of Valhalla asked if the public is allowed to be present when the budget is discussed and how to find out about those meetings.

Upon motion of Councilman Sialiano, seconded by Councilwoman Zaino and unanimously carried,

The public hearing will remain open and will continue on December 9, 2025.

AGREEMENT, made as of the 1st day of January, 2026, between the **TOWN OF MOUNT PLEASANT**, a municipal corporation located in the County of Westchester and State of New York, having its principal offices at 1 Town Hall Plaza, Valhalla, New York (hereinafter referred to as the “**Town**”), and the **THORNWOOD FIRE DISTRICT** (the “**Fire District**”), having its principal offices at 770 Commerce Street Thornwood, New York 10594, for fire protection services to the **THORNWOOD FIRE PROTECTION DISTRICT NO. 1** (the “**Fire Protection District**”), both of which are defined on Schedule “A” annexed hereto (the “**Agreement**”).

W I T N E S S E T H:

WHEREAS, the Fire Protection District has been duly established, which district is depicted in the attached map; and

writing, signed and executed by the below signatory parties hereto.

14. This Agreement shall be construed in accordance with and governed by the laws of the State of New York applicable to agreements made and to be performed wholly within that jurisdiction and without regard to the principles of conflicts of law. AGREEMENT, made as of the 1st day of January, 2026, between the **TOWN OF MOUNT PLEASANT**, a municipal corporation located in the County of Westchester and State of New York, having its principal offices at 1 Town Hall Plaza, Valhalla, New York (hereinafter referred to as the “**Town**”), and the **PLEASANTVILLE FIRE DISTRICT** (hereinafter referred to as the “**Fire District**”), having its principal offices at 75 Washington Avenue Pleasantville, New York 10570, for the fire protection district known as the **WEST PLEASANTVILLE FIRE DISTRICT NO. 1** (the “**Fire Protection District**”), both of which are defined on Schedule “A” annexed hereto (the “**Agreement**”).

W I T N E S S E T H:

WHEREAS, the Fire Protection District has been duly established, which district is depicted in the attached map; and

WHEREAS, the Fire Protection District was duly incorporated for the purpose of securing fire protection services within the boundaries of said Fire Protection District; and

WHEREAS, the Town seeks to contract with the Fire District for the purpose of securing fire protection services for the area encompassing the Fire Protection District; and

WHEREAS, following a public hearing duly held on November __, 2025, the Town Board has duly authorized a contract with the Fire District for fire protection services (manned by volunteers of the Fire District) upon the terms and provisions herein set forth; and

WHEREAS, pursuant to Section 209 of the General Municipal Law, as amended in 1950, the Board of Fire Commissioners of the Fire District has adopted a resolution permitting such fire district to go to the aid of territory located outside of the municipal boundaries of such Fire District.

NOW, THEREFORE, the Town does engage the Fire District to furnish fire protection and emergency services to the area encompassing the Fire Protection District in the Town, and the Fire District agrees to furnish such fire protection and emergency services as follows:

This Agreement shall renew automatically for fifteen (15) consecutive annual terms unless terminated earlier by either party – ending on December 31, 2040.

3. Without in anyway limiting the foregoing, the Fire District’s fire department(s), shall at all times during the period of this Agreement be subject to call

for attendance upon any fire occurring in the Fire Protection District, and when notified by alarm or telephone call from any person within such fire district of a fire within the said Fire Protection District, the applicable fire department(s) shall respond and attend upon the fire without delay with one or more companies and with suitable ladder, pumping and hose apparatus. Upon arriving at the scene of the fire, the attending firefighters of the Fire District shall proceed diligently and in every way reasonably suggested to the extinguishment of the fire, and the saving of life and property in connection therewith.

4. In consideration of furnishing aid and the use of its apparatus, as aforesaid, the Fire District shall receive the sum of money set forth in Schedule "A," such sum to be levied and assessed upon the taxable property within said portion of the Fire Protection District in the applicable fiscal year which has been collected with the other Town taxes by the Town of Mount Pleasant and to be paid to the Fire District between May 15 and October 15, for each year.

5. The Fire District agrees to maintain adequate comprehensive general liability and property damage insurance, workers' compensation and/or Volunteer Firefighters' Benefit Law insurance and professional liability insurance the limit of which shall not be less than \$1,000,000 for each occurrence and \$2,000,000 annual aggregate. The Fire District shall name the Fire Protection District and the Town as additional insureds on its liability policy.

6. Each party shall indemnify, defend and hold the other party harmless from and against any and all liabilities, damages, costs, expenses, or losses including reasonable legal expenses and attorney fees, resulting from any claim, suits, action, demands, or the other proceedings brought by or on behalf of a third party to the extent

same arises from or as a result of the negligent acts or omissions of the indemnifying party.

7. The Fire District as part of the consideration hereof, agrees to hold and save the Town and Fire Protection District harmless from any and all liability, claim, suit, action or other things arising from, because of or on account of the Fire District, or its fire department(s)' actions in response to or attendance at any emergency, fire function or any other thing or event to which the Fire District or its fire department(s) go outside the Fire Protection District from which any claim, suit, action arises or is threatened.

8. Members of the Fire District's fire department(s), while engaged in the performance of their duties in answering, attending upon or returning from any call provided for by this contract shall have the same rights, privileges, and immunities as if performing the same in the Fire District.

9. It is expressly understood and agreed that all of the insurance premium, credited by the State of New York to the portion of the Fire Protection District covered by this Agreement affecting all insurance companies, shall be paid and credited to the Fire District's fire department(s) and/or such other agency of the Town entitled thereto by statute.

14. This Agreement shall be construed in accordance with and governed by the laws of the State of New York applicable to agreements made and to be performed wholly within that jurisdiction and without regard to the principles of conflicts of law. The parties agree that any dispute regarding this Agreement shall likewise be governed by the laws of the State of New York, with venue exclusively in the Supreme Court of the State of New York, Westchester County.

15. This Agreement is deemed to be the product of collaborative drafting and no provision of this Agreement shall be construed against either party.
