V. Town Attorney

Authorization to Adopt a Local Law to Confirm the RESOLUTION 50-25
Establishment of a Temporary Land Use Moratorium
Prohibiting Battery Energy Storage System
Installations within the Town of Mount Pleasant (added
during meeting)

LOCAL LAW NO. 01-2025

**A LOCAL LAW TO CONFIRM ESTABLISHMENT OF
A TEMPORARY LAND USE MORATORIUM
PROHIBITING BATTERY ENERGY STORAGE
SYSTEM INSTALLATIONS WITHIN THE
TOWN OF MOUNT PLEASANT**

WHEREAS, the Governor of New York has convened an Inter-Agency Fire Safety Working Group (hereinafter "Working Group") in the wake of battery energy storage system (BESS) fires in Jefferson, Orange, and Suffolk Counties during the summer of 2023 to study potential safety requirements; and

WHEREAS, the Working Group released draft recommendations on February 6, 2024 and continues to inspect BESS facilities and review best-practices for safety; and

WHEREAS, the Town Board wishes to temporarily prohibit the establishment or siting of BESS facilities as experts conduct further review regarding the potential for additional safety requirements; and

WHEREAS, this Local Law is intended to be consistent with and is adopted pursuant to the authority granted to the Town Board of the Town of Mount Pleasant under New York State Constitution Article IX, Section 2 (c) (ii)(6)(10); Municipal Home Rule Law § 10(2); Municipal Home Rule Law §10(3); Municipal Home Rule Law §10(4)(a)(b); Town Law §135; and Town Law Article 16 (Zoning & Planning) amongst others; and

WHEREAS, this Local Law is a land use regulation intended to address matters of local concern, and it is declared that it is not the intention of the Town to address matters of statewide concern. This Local Law is intended to act as and is hereby declared to exercise the permissive “incidental control” of a zoning law and land use law that is concerned with the broad area of land use planning and the physical use of land and property within the Town, including the physical externalities associated with certain land uses, such as potential negative impacts of such uses on a community; and

WHEREAS, at this time there is one pending application for the location, development, special permit or site plan approval of a BESS installation; and

WHEREAS, on September 10, 2024, the Town Board held a public hearing to receive public comment on this proposed Local Law; and

WHEREAS, on or about September 11, 2024, pursuant to General Municipal § 239-m, the Town referred this proposed Local Law to the Westchester County Department of Planning; and

WHEREAS, the Westchester County Department of Planning responded by letter dated September 25, 2024, stating that the proposed moratorium appears to be consistent with the criteria that moratoria be enacted with specific intent and purpose and that moratoria should not extend beyond a reasonable period, and not stating any objection to the proposed Local Law; and

WHEREAS, the Town Board finds that temporary moratorium legislation is both advisable and necessary for a reasonable and defined period of time in order to consider development and adoption of necessary zoning and land use changes to the Zoning Code of the Town of Mount Pleasant, thus protecting and furthering the public interest, health and safety; and

NOW, THEREFORE, BE IT RESOLVED, that the Town Board of the Town of Mount Pleasant hereby amends the Town Code to establish this local law:

SECTION 1. DEFINITIONS.

For purposes of this Local Law, the following terms shall have the meanings respectively set forth below:

Battery Energy Storage System Installation(s) – Any installation of a rechargeable energy storage system having an aggregate energy capacity classified by the New York State Energy Research and Development Authority as Tier 1 or Tier 2, consisting of electrochemical storage batteries or similar technology, battery charges, controls, power condition systems, inverters, transformers, switchgears and associated electrical equipment designed to store electrical power received from a generating or

transmission source and periodically discharging power from the battery energy storage system into the power grid. The Moratorium shall not apply to devices meant to power electric motor vehicles and residential power generation.

SECTION 2. TEMPORARY MORATORIUM and PROHIBITION.

- A. Unless permitted pursuant to Section 3 hereafter, from and after the date of this Local Law, no application for a permit, zoning permit, special permit, zoning variance, building permit, operating permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or other Town-level approval of any nature shall be accepted, processed, entertained, approved, approved conditionally, or issued by any board, employee, official or agent of the Town of Mount Pleasant, for the construction, establishment, use of operation of any land, body of water, building, or other structure located within the Town of Mount Pleasant, for any Battery Energy Storage System Installation, as defined above.
- B. Unless permitted pursuant to Section 3 hereafter, from the date of this Local Law, no person, entity or business shall use, cause, or permit to be used, any land, body of water, building, or other structure located within the Town of Mount Pleasant for any new (not already existing) Battery Energy Storage System Installation, as defined above.
- C. The prohibitions set forth above in Clauses A and B of this section are not intended, and shall not be construed, to prevent or prohibit the use and development of battery energy storage systems that are typically used to provide standby or emergency power and/or an uninterruptable power supply, load shedding, load sharing, or similar capabilities and that are for personal or individual use.
- D. This moratorium and prohibition shall be in effect beginning on September 10, 2024 and shall expire on the earlier of (i) that date which is six (6) months after said date; (ii) the effective date of a Town Board resolution affirmatively stating the Town Board has determined that the need for this moratorium and prohibition no longer exists; or the conclusion of any extension hereof.
- E. This moratorium and prohibition shall apply to all real property within the Town of Mount Pleasant, and all land use applications for the siting or creation of a Battery Energy Storage System Installation facility within the Town of Mount Pleasant.
- F. Under no circumstances shall the failure of the Town Board of the Town of Mount Pleasant, the Zoning Board of Appeals of the Town of Mount Pleasant, the Planning Board of the Town of Mount Pleasant, or the Building Inspector for the Town of Mount Pleasant to take any action

upon any application for a permit, zoning permit, special permit, zoning variance, building permit, operating permit, site plan approval, subdivision approval, certificate of occupancy, certificate of compliance, temporary certificate, or any other Town level approval related to a Battery Energy Storage System Installation constitute an approval by default or an approval by virtue of expiration of time to respond to such application.

SECTION 3. HARDSHIP VARIANCE RELIEF FROM APPLICABILITY OF MORATORIUM.

Applications for land use otherwise subject to this moratorium may be exempted from the provisions of this Local Law following a noticed public hearing before the Town Board. It is specifically intended that this moratorium shall supersede New York State law which would otherwise confer exclusive variance authority to the Town's Zoning Board of Appeals.

Following a written request for hardship variance relief, within sixty (60) days of receipt of such request, a noticed public hearing shall be held, at which hearing the Town Board may, but is not limited to consider:

- A. The proximity of applicant's premises or the subject of applicant's request for relief to natural resources, including but not limited to prime agricultural soils, wetland areas, conservation districts and other areas of environmental concern.
- B. The impact of the proposed application on the applicant's premises and upon the surrounding area.
- C. Compatibility of the proposed application with the existing land use and character of the area in general proximity to the subject of the application, and its effect upon aesthetic resources of the community.
- D. Compatibility of the proposed application with the recommendations of any administrative body charged with such review by the Town of Mount Pleasant.
- E. The written opinion of the Town of Mount Pleasant Planning Board and the Town of Mount Pleasant Building Inspector that such application may be jeopardized or made impractical by waiting until the moratorium is expired.
- F. Evidence specifying in detail the nature and level of any alleged hardship imposed on the property owner(s) as result of this moratorium.
- G. Such other considerations and issues as may be raised by the Town Board.

In making a determination concerning a proposed exemption or grant of relief from application of the moratorium, the Town Board may obtain and consider reports and information from any source it deems to be helpful with review of said application. A grant of relief from application of the moratorium shall include a determination of unreasonable hardship upon property owner (or if there are multiple property owners, a determination that each such owner shall suffer an unreasonable hardship) which is unique to the property owner(s), a finding that there are sufficient existing regulations to adequately govern the application for which a hardship waiver is being requested, and a finding that the grant or an exemption will be in harmony with, and will be consistent with an existing Town of Mount Pleasant Zoning Ordinance and the recommendation of the Comprehensive Plan as such may exist.

An application for relief from the prohibitions of the moratorium shall be accompanied by fee of \$500, together with an applicant's written undertaking in a form to be approved by the Town Attorney, to pay all of the expenses of the Town Board and any agent or consultant retained by the Town Board to evaluate and consider the merits of such application, including but not limited to any fees incurred by the Town of services provided by the Town Attorney or other professionals.

SECTION 4. PENALTIES.

- A. Failure to comply with any of the provisions of this Local Law shall be an unclassified misdemeanor as contemplated by Article 10 and Section 80.05 of the New York State Penal Law, and, upon conviction thereof, shall be punishable by a fine of not more than One Thousand Five Hundred Dollars (\$1,500) or imprisonment for not more than 10 days, or both for the first offense. Any subsequent offense within a three-month period shall be punishable by a fine of not more than Two Thousand Five Hundred Dollars (\$2,500) or imprisonment for a period of not more than 30 days, or both. Each day that a violation of this Local Law exists shall constitute a separate and distinct offense.
- B. Compliance with this Local Law may also be compelled and violations restrained by order or by injection of a court of competent jurisdiction, in an action brought on behalf of the Town by the Town Board.
- C. In the event the Town is required to take legal action to enforce this Local Law, the violator will be responsible for any and all costs incurred by the Town relative thereto, including attorney's fees, and such amount shall be determined and assessed by the court. If such expense is not paid in full within 30 days from the date it is determined and assessed by the Court, such expense shall be charged to the propert(ies) within the Town on which the violation occurred, by including such expense in

the next annual Town tax levy against such property, and such expense shall be lien upon such property until paid.

SECTION 5. CONFLICTS.

For and during the stated term of this legislation, unless the stated term thereof shall be extended, modified or abridged by the Town Board, this moratorium shall take precedence over and shall control over any contradictory local law, ordinance, regulation for Zoning Ordinance provision.

SECTION 6. EFFECTIVE DATE.

The effective date of this Local Law shall be immediately upon its adoption.

BE IT FURTHER RESOLVED, if any clause, sentence, paragraph, subdivision, or portion of this Local Law or the application thereof to any person, firm or corporation, or circumstance, shall be modified by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

BE IT FURTHER RESOLVED, that the Town Board hereby directs the Town Clerk to file said Local Law in the Office of the Secretary of State; and

BE IT FURTHER RESOLVED, that this resolution shall be effective immediately.
